Dear POC Name,

From [Conference Dates], the California Association of County Veterans Service Officers (CACVSO) will host their training conference at the [Conference Venue Name and Location]. This five-day conference will bring together approximately 200 County Veterans Service Officers and other support staff from 56 counties statewide. Veterans Service Officers assist Veterans and their Families in the complex application process for Department of Veterans Affairs benefits and entitlements.

Thanks in large part to Veteran Services Officers, California's nearly 1.8 million Veterans receive more than \$7 Billion in compensation benefits they have earned through their honorable, military service. Being Veterans themselves, Veterans Service Officers are dedicated to serve our nation's finest after their return home.

You will receive 2 tickets to enjoy a gourmet dinner during the association's banquet night and afforded an opportunity to share about your business in front of the association. In addition, your business and its logo will be listed as the 'General' sponsor on the conference portfolio and can display a banner in the conference area. Finally, you are invited to setup an information table in the conference training room, displaying brochures & information on your business' purpose or service.

Colonel: A \$1,000 donation earns your business the rank of a full bird Colonel. You will receive one ticket to enjoy a gourmet dinner during the association's banquet night where you will be acknowledged as a sponsor. In addition, your business will be listed as a sponsor on the conference portfolio and can display a banner in the conference area. Finally, you are invited to setup an information table in the conference training room, displaying brochures & information on your business' purpose or service.
