

Update on Veteran Homes of California, as of 11 Oct 2024

Cost of Residency.

45% for independent living'

55% for Assisted Living

65 % for Skill Nursing

70% for Memory Care

FYI: If a client has a 70% or more rating, there is NO COST for their Skill Nursing and/or Memory Care.

Married Couples income and fees are calculated separately

******It's important to note, that this cost does not actually cover the full cost of their care and the VA Home will reach out after one has passed to collect the difference if they have assets.**

Once your application is submitted, there will be a one-on-one interview with the client which will involve Financial, Health and give them a tour of the facility. After this is accomplished, then they can be on a list to move in. This can be from days to approx. 3 months after being vetted.

All facilities have an onsite VSO.
